Printing on a Virtuoso SG400 with Fax Modem Driver by Jason Harl. Sawgrass Technologies offers a Windows-based driver for Virtuoso printers that allows printing from computers that don't.Q: Passing multiple parameters to a method with Lists in Java I have the following method: public String doSomethingWithMultipleStrings(final List

param) { // something } I would like to be able to make a call to this method like this:

```
doSomethingWithMultipleStrings(new ArrayList(){ add(new String("Zend"); add(new String("Zend VM"); }));
```

Is this possible? A: If you have compiler support, you can use a stream and a stream buffer:

```
List strings = Arrays.asList("Zend", "Zend VM", "Foo", "Bar" ); String result = strings.stream().collect(Collectors.joining(" "));
```

But then, why would you do this instead of calling a separate method with an external parameter?

Governor Perdue, Senate and House legislators urge removal of permit restriction By Frank Pearl | September 16, 2018 The General Assembly, working in concert with the Governor's Office of Highway Safety and the Georgia Department of Public Safety, has decided to get an end to so-called "compulsory seat belt" laws. Now they are calling on

Governor Kemp to do the same. “The law is clear – the legislation has not changed and a permit must be obtained to drive with children in the vehicle,” said Rep. John Fry, R-Senatobia, chairman of the House Transportation Committee. “Each of us was given
